Click on state for I-Code adoption information

Updated: 06/13/06

One or more International Codes® currently enforced statewide

One or more International Codes® enforced within state at local level

One or more International Codes® adopted statewide with future enforcement date

For the most current information, please refer to the Federal, Jurisdiction and State adoption links at right.

ICC makes every effort to provide current, accurate code adoption information, but in some cases jurisdictions do not notify ICC of adoptions, amendments or changes to their codes. To ensure you have accurate information, please contact the jurisdiction directly. The International Code State and Jurisdiction Adoption Charts are works in progress. The information contained herewith has been provided by individuals involved in local jurisdictions and state legislatures. ICC encourages its members and site visitors to submit comments, suggestions and/or corrections. We are aiming to provide as accurate and up-to-date information as possible. Your assistance is appreciated.
